ABOUT US

- Quick Twitch Fastpitch is proud to serve the softball community throughout the San Joaquin Valley. We are dedicated to providing top notch softball league clinics for players and coaches, individual team clinics, specialized skills clinics, private lessons, and guest speaking. Our program is designed to teach aspiring youth and high school players the skills of competitive softball to get them to the next level.

STAFF

- QT Fastpitch clinics are directed by former NPF and Cal State Fullerton Alumni player Gabby Guerrero. QT's instructors are comprised of College All-American's and standouts, ASA All-American's, and Travel Ball Coaches. We are also assisted by a Junior Staff of ASA Gold Players, CIF All-American's, and High School Standouts. Our goal is to turn motivated players into elite athletes.
